You can enjoy the view of wind driven sailboats, motorcrafts of all sizes and commercial fishing trawlers, which supply us with fresh fish daily.

Here at Otto's we desire to serve you promptly, efficiently and with unfailing courtesy. All our efforts and labours are bent by one thought only... to please and satisfy you. To achieve this we use only choice fresh seafood, meats and ingredients.

Time and care are the most important ingredients of good food. Therefore, we suggest you relax with your favorite cocktail as we prepare your meal.

We will strive to make your voyage with us a pleasant one.

Thank you for dining at Otto's.

You have helped make us one of Long Island's most popular restaurants.
